

## Year R Aspirational Outcomes

At Whiteley Primary school we develop the foundations for learning in Reception through our Whiteley Learning Values. These are woven throughout all the areas of learning in the Early Years Foundation Stage.

Our curriculum has been developed to build the skills and knowledge over the year, working towards our ‘Aspirational Outcomes’. We have worked together as a staff to identify these key outcomes for all children. Through each learning journey, the children will build on skills, knowledge and experiences to achieve our aspirational outcomes and prepare for learning in KS1.
