

# Newspaper

11/06/14

This is the first newspaper of the new club written by year 4. It will be about things going on in our school. This includes: The new teachers, subjects, topics and so much more. We hope you enjoy reading it and continue to read our newspapers in the future.

## The library

The school library is the best place in the school! If we didn't have the library, we couldn't get the books we need. Mrs Yeo is our librarian. She helps us find all the books we need and orders all the books and keeps the library nice and neat. The library has a range of different genres and also it has a good variety between non-fiction and fiction.

## Teachers

In our school, we have many teachers, each one with their own subject. For example... Mrs Jackson (year 6 teacher) is head of music. Mrs Farlow (year 6 teacher) is head of geography. Mr White (year 5 teacher) is head of I.C.T. Mr Evans (year 6 teacher) are the heads of sport and there are many more.

## French

At Whiteley Primary School we learn French, it's amazing. The things we learn are: All the parts of the body, animals, foods, songs and much more. We are taught by Madam Browning. She is really kind and friendly and she will help you with all your problems in French. Also she will play really fun games with you to help you remember what you have learnt.

## Houses

We have 4 houses. They are Eagles, Kestrels, Falcons and Hawks. We have 2 vice captains per house both from year 5. One must be a boy and the other must be a girl. We then have 2 captains per house both from year 6 apart from in Falcons have two girl vice captins. The same rules apply with the captains. There is a girl and one is a boy. The captains organise events for only their house but sometimes they do competitions between the houses.

## All the clubs

Our school holds lots of opportunities to get involved with school clubs, such as newspaper club for year 4, sports clubs for all years, musical lessons and much more.
