

Young Carers

Here at Whiteley we are committed to supporting all of our children, including our Young Carers.

Who is a Young Carer?

A Young Carer is someone aged 18 or under who helps look after a relative who has a condition such as:

- A physical disability
- A learning disability
- A long term illness
- A mental health condition, or misuses substances or alcohol

If you think that your child may be a Young Carer, please contact the designated lead Mrs Victoria Skipp via the school office on 01489 881601.

What things does a Young Carer do ?

A Young Carer takes on additional responsibilities. A Young Carer might be providing the main care or share responsibilities with another family member. The caring task can range greatly from:

- Giving medication or helping with mobility
 - Washing, dressing, feeding
- Listening, supporting a relative through depression, being there to talk to
 - Washing, shopping, cleaning

How do we support Young Carers at Whiteley Primary School?

- There is a designated lead teacher responsible for the well-being of Young Carers
 - A notice board for children to find out information about Young Carers
- A notice board for staff to help them identify a Young Carer and give them guidance on how best to support them
- A lunch time Young Carers group once a week for children to come and chat, meet other Young Carers, do their homework etc.
- A letterbox/worry box where children can post their concerns or questions if the designated lead teacher is unavailable.
 - A full time Emotional Literacy Support Assistant (ELSA)
 - Access to the school nursing team
 - A referral system to the charity group KIDS

The Young Carers Group
