

Code of Conduct for Pedestrians

Green Cross Code

Always follow the Green Cross Code:

Find a safe place to cross, then stop.

1. Stand on the pavement, but not too close to the edge of the kerb.
2. Look and listen in all directions for any traffic.
3. Cross when there is no traffic - do not run.
4. Keep looking and listening.
5. Walk straight across the road.

Be considerate of others

- Look out for other pedestrians and be considerate to them.
- Listen for cyclists' bells and those scooting and make space for them to pass.
- Wear reflective or bright clothing so that you can be seen.

Be safe

- Never look at your phone when crossing the road.
- Always use the correct road crossings if they are available - toucan, zebra, pelican and traffic islands.
- Walk across the road - never run.
- Stay on the pavements and paths.

Always walk sensibly into and around school!

BE SAFE, BE SEEN, BE CAREFUL !
