There is a quiz on the same page that you might like to do too.

Then write out these sentences, but improve them by adding expanded noun phrases:

The dog barked.

There is a tree in the garden.

The cat chased the mouse.

The frog jumped.

For example 'The dog barked' might become 'The little brown dog barked.'

Once you have finished, have a go at writing some of your own sentences. Remember your capital letters, full stops and neatest handwriting.
