

Number bonds within 10

Watch this video to recap our learning from yesterday.

<https://www.bbc.co.uk/teach/super movers/ks1-maths-number-bonds-with-martin-dougan/zf6cpg8>

Today we are going to continue to practise the number bonds that add up to numbers less than 10.

Here they are below...

Makes 10	Makes 9	Makes 8	Makes 7	Makes 6	Makes 5
0 + 10	0 + 9	0 + 8	0 + 7	0 + 6	0 + 5
1 + 9	1 + 8	1 + 7	1 + 6	1 + 5	1 + 4
2 + 8	2 + 7	2 + 6	2 + 5	2 + 4	2 + 3
3 + 7	3 + 6	3 + 5	3 + 4	3 + 3	
4 + 6	4 + 5	4 + 4			
5 + 5					

Makes 4	Makes 3	Makes 2	Makes 1
0 + 4	0 + 3	0 + 2	0 + 1
1 + 3	1 + 2	1 + 1	
2 + 2			

Try starting with this game...

Choose the level 1, addition, bonds to make 10 options from daily ten – you don't have to type the answers, just say them out loud! If you would like a challenge, set a shorter timer or choose a different setting such as addition up to 25.

<https://www.topmarks.co.uk/maths-games/daily10>

Then look at this sheet

Name:

Year 1 - 30 seconds

BIG MATHS... BEAT THAT!

My 'Beat That'
score was...

~~17~~

$9 + 9 =$	$8 + 8 =$	$2 + 8 =$
$3 + 7 =$	$6 + 2 =$	$6 + 6 =$
$5 + 2 =$	$7 + 7 =$	$7 + 2 =$
$6 + 3 =$	$4 + 3 =$	$1 + 9 =$
$9 + 2 =$	$5 + 5 =$	$4 + 2 =$
$4 + 6 =$		$5 + 3 =$

Y1
1

Write out the number sentences (without the answers) and then get ready to time yourself. How long does it take you to answer all of the number sentences?

Once you've timed yourself once, have a little break and then try it again. Can you get faster? If you can answer all of them in 30 seconds that means you've mastered them!

You can do it as many times as you like!
