

English Activity Day 1

We have been looking at adjectives and using these to describe a setting. We are reading *The Worst Witch*. Have a look at this mysterious picture. Write a setting description to explain what you can see. Use your senses... what do you think you might hear, see, smell, feel if you were here?

Then write 5 questions that you would like to ask about this picture. Don't forget to use a question mark at the end of each sentence.
