

## **English Task Day 1**

This half term our topic is called New Year, New Me! We are thinking about healthy foods and about our muscles and skeletons. In English we will be writing about famous athletes.

Please use today to choose a famous athlete and research their life. Find out about where they were born, what country they live in, their early life, why they are famous and what they do now. Look for any interesting and amazing facts about them too. Please use any books you might have or google to write as many bullet point facts as you can.

Please watch this video to remind yourselves about the differences between fiction and non-fiction and complete the online quiz questions. Remember....

**Fiction is made up, you need to use your imagination when you are writing it. Types of fiction include plays, stories and poems.**

**There are many different types of non-fiction writing, such as newspapers, adverts, brochures, reference books and biographies. A non-fiction book is about facts. You can't just make it up.**
