

## Maths Day 2 – using money

We would like you to spend the next two days practising using money to buy things.

Today we are going to think about giving change. First watch this lesson about working out the value with coins...

<https://www.bbc.co.uk/bitesize/topics/zp8dmp3/articles/z2s6hv4>

Have a go at this shopping game. You can buy items and then give change too.

<https://www.ictgames.com/mobilePage/payForIt/index.html>

Now have a look at these items. How much change would you get if you used the coins to buy them?

## Spring Shopping

Work out how much change you would get if you bought these items.

You buy	You Pay	Change
<p>£1.00</p> 		
<p>80p</p> 		
<p>20p</p> 		
<p>60p</p>
