

Our Home-School Agreement- based on the UN Convention on the Rights of the Child (UNCRC)

Whiteley Primary School is a Rights Respecting School and we believe all children have the Right to have the best possible education. This home-school agreement was drawn up by the governors, staff, parents/carers and the RRE ambassadors and reinforces the importance of the school, its pupils and parents and carers working together. We hope that you will talk through the agreement with your child, explaining its significance and value before signing it.
